Zealous faith can have a dangerous, dark side. While recent calls for radical Christians have challenged many to be more passionate about their faith, the down side can be a budding arrogance and self-righteousness that “accidentally” sneaks into our outlook. In *Accidental Pharisees*, bestselling author Larry Osborne diagnoses nine of the most common traps that can ensnare Christians on the road to a deeper life of faith. Rejecting attempts to turn the call to follow Christ into a new form of legalism, he shows readers how to avoid the temptations of pride, exclusivity, legalism, and hypocrisy, Larry reminds us that attempts to fan the flames of full-on discipleship and call people to Christlikeness should be rooted in love and humility. Christians stirred by calls to radical discipleship,

When Tabitha and her best friend Leslie were young, they made a pact to never get involved with the same guy. That wasn't a problem for Tabitha, especially as far as Leo Pesciano was concerned.

Tabitha hated the guy. It didn't matter that he was good looking and all of the other girls drooled over him, and Leslie had a big crush on him. He was obnoxious and loved to rile Tabitha up; but when she is faced with life-altering challenges, Leo becomes her protector and her friend. There is a strong chemistry between them that Tabitha tries very hard to ignore, but Leo doesn't make it easy. After an explosive end to their friendship during their college years, more than nine years later they are reunited and Tabitha is again resistant

Her loyalty to her old friend is admirable, but will this same loyalty destroy her chance with the man who just may be the love of her life?
