Artifacts—the objects we make and use—are part of American history. If we know how to look at them, they can be sources for better understanding our history. While textbooks focus on the great documents of the American past, or the important events, artifacts can show us another kind of history, another way of approaching the past.

Advanced Placement: U.S. History

Designed for introductory-level survey courses in American History, America Past and Present, Brief Edition presents a balanced and manageable overview of the United States as an unfolding story of national development, blending the best in past historical interpretation with new scholarship.
