GENKI: An Integrated Course in Elementary Japanese I - Workbook. Eri Banno, Yoko Ikeda, Yutaka Ohno, Chikako Shinagawa, Kyoko Tokashiki. GENKI is an integrated textbook series widely adopted by many elementary Japanese courses at colleges and high schools in Japan, U.S., and other countries. It completes the elementary level study of the Japanese grammar as well as some 300 kanji and 1,100 vocabulary in the 23 lessons of GENKI I and II.

A pictorial teaching resource based on the content of Textbooks I and II of the series Genki: an integrated course in elementary Japanese.

This is a revised edition of the textbook GENKI: An Integrated Course in Elementary Japanese, which was published in 1999. Since it first came out, GENKI has

Download Free An Integrated Course In

Elementary Japanese
English And Edition

become widely used by teachers and students of Japanese and has gone through numerous reprintings. Such wide acceptance led to the decision to publish this revised edition. In 1999, our aim was to develop a textbook that teachers would find convenient and helpful, and one that students could easily use. We thus wrote the book based on a survey of students' needs and refined it through many test-teaching situations. Originally meant as a text for foreign students studying in Japan, GENKI gained popularity among those studying in other countries as well. As use increased, we began to hear from those who wanted "more information on culture" and "audio aids appended to the text"

English And Edition

It's also been more than ten years since GENKI was originally published, and the passage of time has required revisions to vocabulary and expressions. While retaining the ease-of-use quality for teachers, we have added new content and revisions that reflect our experiences and the voices of those who have used the text. The task of revision took two years to complete. We believe that this effort has resulted in a book that instructors and students will find even easier to use and learn from. The opinions of the teachers and students who have used GENKI have been a major driving force in the preparation of this revised edition. We are truly grateful to those who have provided this

English And Edition
input. The authors would also like to express their sincere appreciation to the following:

Noriko Udagawa, our illustrator, whose work has become a GENKI trademark; the staff of The Japan Times; and particularly to Chiaki Sekido of the Publications Department of The Japan Times, who has worked tirelessly with us on this project since its inception. It is our hope that students of the language will find additional pleasure in learning Japanese by using this new edition of GENKI.

Learning Hiragana and Katakana is a systematic and comprehensive Japanese workbook that is perfect for self study or in a classroom setting.

Download Free An Integrated Course In

Written Japanese combines three different types of characters: the Chinese characters known as kanji, and two Japanese sets of phonetic letters, hiragana and katakana, known collectively as kana, that must be mastered before the Japanese kanji can be learned. Learning Japanese Hiragana and Katakana provides beginning-level students of Japanese a thorough grounding in the basic hiragana and katakana phonetic symbols or syllabaries. A comprehensive introduction presents their basic function, origin, pronunciation and usage. The main body of the book is devoted to presenting the 92 hira and kata characters along with their variations, giving step-by-step guidelines on how to write

English And Edition

each character neatly in the correct stroke order, with plentiful practice spaces provided for handwriting practice. This Japanese workbook includes: Systematic and comprehensive coverage of the two Japanese kana systems. Ample provision for Japanese kana practice, review, and self-testing at several levels Detailed reference section explaining the origin and function of kana, and the various kana combinations. Access to online Japanese audio files to aid in correct pronunciation. Helpful additional information for language students accustomed to romanized Japanese. Vocabulary selected for usefulness and cultural relevance. About this new edition: The new third edition has

Elementary Japanese
English And Edition
been expanded and revised to include many additional reading and writing exercises.

Accompanying online recordings demonstrate the correct pronunciation of all the characters, vocabulary, and sentences in the book.

Second edition of the most highly regarded teaching text book on the Japanese language, covering speaking, listening, reading, and writing to cultivate overall language ability. Each lesson in the revised edition features a new section dubbed "Culture Notes," and now includes the audio CD companion which is in mp3 format ready to install on any music player. In Japanese/English. Distributed by Tsai Fong Books,

"The Japanese language uses a set of symbols called 'hiragana' (to spell Japanese words), 'katakana' (to spell foreign words), and 'kanji' (to represent entire words or names). Over the course of BOOK 1, we will teach you groups of hiragana piece-by-piece to gradually build up your understanding and familiarity."--Introduction.
