Doctors in the UK are required to provide evidence of their fitness to practice—all doctors registered with the General Medical Council (GMC) need to revalidate to maintain their registration. How to Succeed at Revalidation contains up-to-date information on the current regulatory framework and step-by-step guidance to the entire revalidation process. Offering expert advice on how to undertake the process from the perspective of the appraisee, the appraiser, and the employer, this practical, quick-reference guide covers each of the Good Medical Practice (GMP) domains: Knowledge, Skills and Performance; Safety and Quality; Communication, Partnership and Team Work; and Maintaining Trust. Throughout the text, numerous examples describe different models of appraisal and reflection, identify activities that map to each domain, and demonstrate how revalidation requirements can be achieved in the course of daily practice. This much-needed guide: Covers regulatory processes in medicine and healthcare from both UK and international perspectives Reviews the background that led to the implementation of revalidation Discusses the new GMP requirements for all doctors in the UK Explores the possible future of revalidation How to Succeed at Revalidation is essential reading for all qualified and trainee doctors, undergraduate and postgraduate learners, tutors and trainers seeking to navigate the revalidation process in the UK.

Newly updated, Mastering Real Estate Principles, 4th Edition is more organized, more appealing, and more user- friendly than ever before. Known for its workbook format and interactive approach to learning, this new edition features updated content, an enhanced interior design, and a new construction section. This complete learning system comes loaded with multiple teaching tools and instructor resource guide to reduce instructor workload.

Santamaria's 30 Days to Success in Real Estate offers a very practical approach to starting and succeeding in the real estate profession. It is designed as a 30-day schedule for new agents to follow. Starting with establishing financial goals and committing to these using a personal contract, each day is scheduled out from morning to evening and concludes with a Daily Summary. Easy to understand and with practical content, this book is an excellent resource for those individuals just entering the real estate profession or for those considering it.

The 12th edition of this textbook has been revised and reorganized significantly for greater clarity, coherence and consistency. Coverage includes emerging issues such as the impact of automated valuation models on the appraisal industry; the new emphasis on extraordinary assumptions and hypothetical conditions in recent revisions of standards of professional practice; and important data sources. For both novice appraisers and established practitioners. c. Book News Inc.
