BACKTRACK User's Guide - RighterTrack

To save time, turn on the BackTrack at least one or two minutes before you will be marking your first location (for example, when entering the parking lot instead of waiting until you get out of the car and then mark where you left it). Page 5 BackTrack will already be showing you the direction and distance back to your car! If you want to return to a location other than the last one you marked, just icon you used when you
