The Bedford Introduction to Literature responds to the teaching and learning needs of all kinds of literature classrooms and composition courses where literature is a focus. Author Michael Meyer understands that a particular challenge for instructors is that students do not necessarily see literature as relevant to their lives. With these factors in mind, Meyer has put together a lively collection of stories, poems, and plays from many periods, cultures, and themes, with voices ranging from the traditional to the latest and hottest contemporary authors. As an experienced anthologist and instructor of literature, Meyer has a knack for choosing enticing selections including humorous works and readings from popular culture
