Living Beyond Yourself: Exploring the Fruit of the Spirit (DVD Leader Kit): Beth Moore: Amazon.com.au: Books

"This book is the text for course CG-0477 in the subject area Personal Life in the Christian Growth Study Plan."

Includes one member book, one leader guide, and 11 sessions on DVD's.

Look at the supernatural aspects of the fruit of the Spirit and that you cannot grow, learn, or produce the fruit on your own. Beth challenges you to develop the fruit by maintaining an intimate relationship with the Spirit of God.

It is reported in the headlines, confessed in the pulpits, and hidden in the pews in churches around the world. The seduction of God's people by the deceiver is a tale as old as the garden, but we are always surprised when it happens. We must realize that Satan is a lion on the prowl and we are his prey. Beth writes with a passion fueled by the Biblical warnings of the schemes of Satan's seductive activity and the broken-hearted concern of a teacher who receives countless letters from repentant Christians limping on the road to finding restoration. Delivering dire warnings to Christians to safeguard themselves against Satan's attacks, Beth also reveals how you can know if someone is vulnerable. Beth writes, "We, Christ's church, are in desperate need of developing His heart and mind in issues like these." She fears that often God is far more merciful than the Body of Christ is with the deeply repentant and those desperate to find their way home. When Godly People Do Ungodly Things will be a guide to authentic repentance and restoration.

These forty-eight Bible studies were written with one goal in mind – to allow the Spirit of God to use the Word of God to produce fruit in your life. These studies will help you discover what the Bible says rather than simply telling you what it says. They encourage you to think and to explore rather than to merely fill in blanks. Fruit of the Spirit will help you discern what the Bible says about the vital traits that the Holy Spirit produces in believers, and move you beyond reflection to application. Designed for use as personal Bible study or group study, the interactive format will help you grow in your ability to reflect the character of Jesus and will aid not only in understanding the fruit, but also in applying them to daily life.

"Is it working? Your belief system, that is. Is it really working? God's intention all along has been for the believer's life to work. From divine perspective toward terrestrial turf, God meant for his children to succeed. . . Are our Christian lives successful? Are they achieving and experiencing what Scripture said they would? In a recent sermon my son-in-law preached, Curt told us the only way we were going to impact the world and the next generation is to prove that our faith in Christ is real and that it works. For countless Christians I'm convinced it's real. My concern is whether or not we have the fruit to suggest it works." —Beth Moore; Believing God

Offers an in depth look at the Fruit of the Spirit, discussing what the biblical writers meant by "peace," identifying personal barriers to achieving joy, and what the Old Testament teaches about God's gentleness.

Now available in paperback and one of Beth Moore's most popular writings to date, Breaking Free is the breakthrough book on how to overcome the strongholds of sin and discover a better life.

The apostle Paul didn't plan to go to Galatia. God used a physical ailment to direct him there, carrying the gospel of the Lord Jesus Christ. The relationship Paul would build with the Galatian converts--and his determination for the truth of the gospel to be preserved among them--led to one of the most passionate letters in the New Testament. Paul would not sit quietly by and let those who'd been liberated by Christ's glorious gospel submit again to a yoke of slavery. He'd send a letter with the volume turned up, calling believers to stand firm in the truth, stay bold in love, and walk by the Spirit. He'd remind them what it looked like to live for God's approval rather than human approval. The eternal words God entrusted to Paul for the churches of Galatia are as needed today as they were when the ink was still wet on the ancient pages. Join Beth and Melissa Moore for a six-week deep dive into Paul's captivating letter to the Galatians. Come to know the letter's original recipients. Study its original context and embrace its timeless relevance. Discover--or perhaps rediscover--what makes the gospel of Jesus Christ revolutionary to those who choose to believe. Find out how everything has changed, now that faith has come.
