smartly, with unitwise weightage coverage
Covers questions from all major Indian
universities

For courses in Pediatric Nursing. A comprehensive survey of family-centered pediatric nursing care Child Health Nursing: Partnering with Children & Families promotes excellence in nursing care for infants, children, and adolescents--in hospitals and in the community. It focuses on the importance of partnering with families to adapt care plans for children based on their age, health status, and social and cultural influences. The text considers the impact of contemporary care environments on nursing practice, both in health promotion and in the care of children with acute or chronic health conditions. By offering industry best practices and practical applications, the book encourages students to apply evidence-based findings and clinical reasoning to planning superior care. The updated 3rd edition explains how modern nursing practice is affected by reforms to healthcare and its delivery--such as electronic health records, new approaches to chronic and acute condition management, and a focus on prevention. To support safe, effective, and innovative care, this edition draws on the latest recommendations of NANDA International diagnoses, Nursing Intervention Classifications (NIC), Nursing Outcomes Classifications (NOC), and Healthy People

This easy to read textbook introduces to students the human body as a living functioning organism. Nursing students will discover exactly what happens when normal body functions are upset by disease, and see how the body works to restore a state of balance and health. Reader friendly approach features descriptive hearts and sub-heads, numerous tables and a conversational writing style makes the complex anatomy and physiology concepts understandable.

This is the story of a girl who struggled to survive. Her mother didn't lose hope and tried to revive her health with the help of various health care systems. The girl

Child Health

survived and the mother realised that she is specially chosen by God. She was very close to nature. She spent a lot of time under the blue sky, sat by the lake near the green pastures along with her favorite goats, slept in open air under the night sky with stars twinkling and comforting her from above. Oh! What a childhood. God's call to transform one's life and the lives of others makes oneself very rooted and strong to live life to the fullest even though it is filled with lots of uncertainties. But, believing in the guidance and protection offered by the universe, she moved ahead and faced a lot of difficulties. But she stayed firm on wanting to complete her dream of life. Life is full of challenges. In fact, that is now part and parcel of the life that she enjoys. She entered another phase of life where she saved and transformed the lives of many people, especially girls. She was supported by her husband, Mr. Anthony Dias, who was the rock solid foundation that helped her complete her dream. It was a dream which a girl from a small town of Rajasthan would never have been able to accomplish on her own. But she managed to do so with the help of her beloved husband and other good souls around her. To know more about her inspiring story, read about her journey of life.
