Women suffer from headaches far more than men. According to the World Health Organization, migraine is one of the most disabling medical conditions. The understanding of the pathophysiology of migraine has changed dramatically over the past decade, leading to more rational and targeted treatments. Since most migraineurs are young women, use of contraception, management of headaches with menstruation, pregnancy, lactation, and menopause are important issues addressed in this text. Headaches are often inherited, and, as such, the book also discusses genetic issues, particularly relevant in this era of customized medicine. The hormonal management of transgenders is important as many will experience severe headaches during their transitions. Comorbidities, including psychiatric syndromes and strokes, are also presented in detail. This text will be of interest to all practitioners who manage women with headaches.

Falling in love isn't supposed to be literal. Except if you're a witch who's cast a soulmate spell. Turns out love magic isn't the kind you dabble with. First there's Dixon with his sweet midwestern twang. Then there's action-hero-hot Mateo, who literally swooped in and saved my life, plus his three insanely handsome brothers. The universe definitely heard my call and it's raining men alright. Turns out, controlling the magnetic attraction is where it gets tricky, especially if you happened to call upon a magical being, intent on killing you and stealing your power. Whoops. Fortunately I've got four hot shifter protectors because I'm gonna need 'em. *Desired by Four* is a fast-paced, steamy reverse harem paranormal shifter romance. 18+ Keywords: paranormal romance, romantic books, romance ebooks, books to read and download, contemporary romance, paranormal romance books, ebooks romance, romance books for adults, supernatural romance books, paranormal romance books full novel, steamy romance books, happily ever after, guaranteed HEA, no cliffhangers, happy for now, HFN, reverse harem, menage, why choose, MMF, shifter books free, adventure, witch, hero, lion shifters, magic, witch, hero, protector, spell, fast-paced,

"Mean" Mills Aldridge is going to be my new boss" and I'm supposed to pretend he isn't sex on skates. Between avoiding the town mean girls, helping my parents, and trying not to behave like a puck bunny, my job with that sweet boy is fast becoming just like the rest of my life--one big complication. My only escape is my late-night chats with Mills. The confessions we share make me feel like I belong. The stolen kisses make it hard to remember why I ever left. Until the opportunity I've been waiting for arrives, and it's time for me to say goodbye. But can I leave that little boy and his father behind?
