Audrey Callahan tries to leave her disreputable past in the Edge behind and lead an honest life, until her brother gets in trouble and she is forced to work with Kaldar Mar, a jack-of-all-trades who has some unusual talents.

Audrey Callahan left behind her life in the Edge, and she's determined to stay on the straight and narrow. But when her brother gets into hot water, the former thief takes on one last heist and finds herself matching wits with a jack of all trades... Kaldar Mar—a gambler, lawyer, thief, and spy—expects his latest assignment tracking down a stolen item to be a piece of cake, until Audrey shows up. But when the item falls into the hands of a lethal criminal, Kaldar realizes that in order to finish the job, he's going to need Audrey's help...

The Edge lies between worlds, on the border between the Broken, where people shop at Wal-Mart and magic is a fairy tale—and the Weird, where blueblood aristocrats rule, changelings roam, and the strength of your magic can change your destiny... Charlotte de Ney is as noble as they come, a blueblood straight out of the Weird. But even though she possesses rare magical healing abilities, her life has brought her nothing but pain. After her marriage crumbles, she flees to the Edge to build a new home for herself. Until Richard Mar is brought to her for treatment, and Charlotte's life is turned upside down once again. Richard is a swordsman without peer, future head of his large and rambunctious Edger clan—and he's on a clandestine quest to wipe out slavers trafficking humans in the Weird. So when his presence leads his very dangerous enemies to Charlotte, she vows to help Richard destroy them. The slavers' operation, however, goes deeper than Richard knows, and even working together, Charlotte and Richard may not survive...

Cerise Mar and her clan are cash poor but land rich, claiming a large swathe of the Mire, the Edge swamplands. When her parents vanish, her clan's long-time rivals are suspect. But all is not as it seems. Two nations of the Weird are waging a cold war fought by feint and espionage, and their conflict is about to spill over into the Edge-and Cerise's life.

From Ilona Andrews—#1 New York Times bestselling author of Magic Shifts and the Kate Daniels novels—comes a stark, seductive tale of a world torn asunder by supernatural gifts and irresistible passions... Karina Tucker is driving a van of children home from a field trip when an unplanned detour to a seemingly ordinary rest stop changes her life. There, she witnesses a world beyond humanity's sight, of frightful powers and chaos, where she is in death's grip...before an irresistibly dangerous male saves her—only to take her captive. For she is a rare commodity in the shadowy realm she's entered. Karina soon finds herself caught in a violent civil war where those with inhuman powers strive to destroy each other without mercy. And it becomes all too clear that she must make a choice: submit and become a pawn, or take hold of her own destiny and fight for survival against impossible odds. *Alphas: Origins* originally appeared in *Angels of Darkness*. Praise for Ilona Andrews and the Kate Daniels Novels "Ilona Andrews pens my favorite flavor of keeper novel: tough characters, marvelous voice, fast-paced with that sharp edge of humor that adds the final grace note."—Patricia Briggs, #1 New York Times bestselling author of *Fire Touched* "One of the brightest voices in urban fantasy. Ilona Andrews delivers only the best."—Jeaniene Frost, New York Times bestselling author of *Bound by Flames* "Gritty sword-clashing action and flawless characterizations will bewitch fans."—Sacramento Book Review **INCLUDES A TEASER FOR MAGIC SHIFTS**

Journalist Eve Bradley falls into a dangerous passion for Cain O'Connor, who just may be a human embodiment of the Devil. Original.

#1 New York Times bestselling author Ilona Andrews invites you to experience the first novel in the "intriguing world" (Locus) of Kate Daniels with this special edition of *Magic Bites*... Kate Daniels is a down-on-her-luck mercenary who makes her living cleaning up magical problems. But when Kate's guardian is murdered, her quest for justice draws her into a power struggle between two strong factions within Atlanta's magic circles. Pressured by both sides to find the killer, Kate realizes she's way out of her league—but she wouldn't want it any other way... This special edition includes in-depth information about the world of Kate Daniels, with descriptions of its characters and factions. Explore Kate's Atlanta like never before with answers to FAQ and a quiz to find your place there. And don't miss the prequel story "A Questionable Client," as well as scenes of events in *Magic Bites* from Curran's point of view.

Step into a whole new world in the first Novel of the Edge from the #1 New York Times bestselling author of the Kate Daniels series. The Edge lies between worlds, on the border between the Broken, where people shop at Wal-Mart and magic is a fairy tale—and the Weird, where

blueblood aristocrats rule, changelings roam, and the strength of your magic can change your destiny... Rose Drayton thought if she practiced her magic, she could build a better life for herself. But things didn't turn out the way she'd planned, and now she works an off-the-books job in the Broken just to survive. Then Declan Camarine, a blueblood noble straight out of the deepest part of the Weird, comes into her life, determined to have Rose (and her power). But when a flood of creatures hungry for magic invade the Edge, Declan and Rose must overcome their differences and work together to destroy them—or the beasts will devour the Edge and everyone in it...

The #1 New York Times Bestseller! Atlanta is a city plagued by magical problems. Kate Daniels will fight to solve them—no matter the cost... Mercenary Kate Daniels and her mate, Curran, the Beast Lord, are struggling to solve a heartbreaking crisis. Unable to control their beasts, many of the Pack's shapeshifting children fail to survive to adulthood. While there is a medicine that can help, the secret to its making is closely guarded by the European packs, and there's little available in Atlanta. Kate can't bear to watch innocents suffer, but the solution she and Curran have found threatens to be even more painful. The European shapeshifters who once outmaneuvered the Beast Lord have asked him to arbitrate a dispute—and they'll pay him in medicine. With the young people's survival and the Pack's future at stake, Kate and Curran know they must accept the offer—but they have little doubt that they're heading straight into a trap...

From Ilona Andrews, #1 New York Times bestselling author, the thrilling conclusion to her Hidden Legacy series, as Nevada and Rogan grapple with a power beyond even their imagination... Nevada Baylor can't decide which is more frustrating—harnessing her truthseeker abilities or dealing with Connor "Mad" Rogan and their evolving relationship. Yes, the billionaire Prime is helping her navigate the complex magical world in which she's become a crucial player—and sometimes a pawn—but she also has to deal with his ex-fiancée, whose husband has disappeared, and whose damsel-in-distress act is wearing very, very thin. Rogan faces his own challenges, too, as Nevada's magical rank has made her a desirable match for other Primes. Controlling his immense powers is child's play next to controlling his conflicting emotions. And now he and Nevada are confronted by a new threat within her own family. Can they face this together? Or is their world about to go up in smoke?
