"If Only" is a book about a young girl, Corinna, who lost her mother when she was 12. The book describes Corinna's efforts to adjust to the new life without her mother, her anger at the loss of a loved one at such a young age, her fears and insecurity of what could happen in the future, and her struggle dealing with grief.

Facebook. Carole Geithner's coming-of-age novel shines a realistic light on bereavement in adolescents. This is a moving and sometimes humorous story that has helped open difficult conversations in families, at schools, and among friends, about the often-avoided yet universal experience of loss. "I love IF ONLY, and I love Corinna. The voice is so authentic, the details of friendships and family life so convincing, and the experiences of loss and grief and confusion and consolation so ...
