Queen of Babble Gets Hitched is the third and final installment of the Queen of Babbles series.

Now this isn't my favorite series but when I saw this book while passing by.. well, I couldn't just

keep on walking. I figured I could suffer a little bit more and just read the last book of this series

and never think about it ever again.

Things are looking up at last for Lizzie Nichols. She has a career she loves in the field of her choice (wedding gown restoration), and the love of her life, Jean-Luc, has finally proposed.

Big mouth. Big heart. Big wedding. Big problems. It's the wedding of the century! Things are looking up at last for Lizzie Nichols. She has a career she loves in the field of her choice (wedding gown restoration), and the love of her life, Jean-Luc, has finally proposed. Life's become a dizzying whirl of wedding gown fittings—not necessarily her own—as Lizzie prepares for her dream wedding at her fiancé's château in the south of France. But the dream soon becomes a nightmare as the best man—whom Lizzie might once have accidentally slept with . . . no, really, just slept—announces his total lack of support for the couple, a sentiment the maid of honor happens to second; Lizzie's Midwestern family can't understand why she doesn't want to have her wedding in the family backyard; her future, oh-so-proper French in-laws seem to be slowly trying to lure the groom away from medical school and back into investment banking; and Lizzie finds herself wondering if her Prince Charming really is as charming as she once believed. Is Lizzie really ready to embrace her new role as wife and mistress of Château Mirac? Or is she destined to fall into another man's arms . . . and into the trap of becoming a Bad Girl instead?

backyard; her future French in-laws are trying to lure the groom back into investment banking; and Lizzie finds herself wondering if her Prince Charming really is as charming as she once believed.

Lizzie Nichols is back, pounding the New York City pavement and looking for a job, a place to live, and her proper place in the universe (not necessarily in that order). "Summer Fling" Luke's use of the "L" (Living Together) word has her happily abandoning plans to share a one-room walk-up with best friend Shari in exchange for cohabitation with the love of her life in his mom's ritzy Fifth Avenue pied-à-terre. Lizzie's landed a non-paying gig in her chosen field—vintage wedding gown rehab—and a paying one as a receptionist at Shari's boyfriend's father's posh law firm. So life is good . . . for the moment. But almost immediately her notoriously big mouth is getting her into trouble. At work she's becoming too chummy with society bride-to-be Jill Higgins, inflaming the ire of Jill's troublesome future mother-in-law. At home she's made the grievous error of bringing up the "M" (Marriage) word to commitment-shy Luke. Once again joblessness and homelessness are looming large for hapless blabbermouth Liz—unless she can figure out some way to babble her way to a happily ever after.

Cartoonist Jane Harris is delighted by the prospect of her first-ever trip to Europe. But it's hate at first sight for Jane and Cal Langdon, and neither is too happy at the prospect of sharing a villa with one another for a week—not even in the beautiful and picturesque Marches countryside. But when Holly and Mark's wedding plans hit a major snag that only Jane and Cal can repair, the two find themselves having to put aside their mutual dislike for one another in order to get their best friends on the road to wedded bliss—and end up on a road themselves . . . one neither of them ever expected.

For a limited time, and at a special price, download Queen of Babble and receive an excerpt from Meg Cabot's new Heather Wells novel, *Size 12 and Ready to Rock*, available wherever books are sold July 10. In *Queen of Babble*, Lizzie Nichols has a problem: she can't keep anything to herself. And when she opens her big mouth on a trip to London, her good intentions get her long-distance beau, Andrew, in major hot water. Now she's stuck in England with no boyfriend and no place to stay until the departure date on her nonrefundable airline ticket. Fortunately, Lizzie's best friend and college roommate, Shari, is spending her summer catering weddings in a sixteenth-century château in southern France. Who cares if Lizzie's never traveled alone in her life and only speaks rudimentary French? She's off to Souillac to lend a helping hand! One glimpse of gorgeous Château Mirac—and of gorgeous Luke, the son of the château's owner—and Lizzie's smitten. But thanks to her chronic inability to keep a secret, before the first cork has been popped Luke hates her, the bride is in tears, and Château Mirac is on the road to becoming a lipo-recovery spa. Add to that the arrival of ex-beau Andrew, who's looking for "closure" (or at least a loan), and everything—including Lizzie's shot at true love—is in la toilette . . . unless she can figure out some way to use her big mouth to save the day.

"The entertaining first novel by socialite Tinsley Mortimer about a Southern Belle thrust into the frenzied world of high society in New York City. Small town girl Minty Davenport always dreamed of skyscrapers and yellow cabs. So upon graduation from college, she bids adieu to Charleston and makes a beeline for the Big Apple. Landing a job at a PR firm, she crosses paths with the city's elite, who are charmed by her vivacious personality and no-strings-attached sincerity. When she finds her picture in fashion magazines alongside A-list celebrities,

Minty realizes that her future is in front of the camera, not behind it. But it's a long way from the deb balls of Charleston to Fashion Week in Lincoln Center, and the gatekeepers to New York society upper echelons aren't easily charmed. At first, Minty's attempts to apply etiquette lessons of a southern belle to big city life fail miserably--to comic effect. But she eventually morphs from the girl who alphabetizes the guest list to a boldface name, while also landing the city's most eligible bachelor. When a fellow "It Girl" starts rumors that threaten to ruin Minty's social standing, Minty is forced to reevaluate her values. Finally, she realizes that only by embracing her southern charm can she rule the city"--

There are a few places screenwriter Lou Calabrese would rather be than crammed into a helicopter with Jack Townsend, star of her claim to fame, Copkiller, and whose ex just ran off with Lou's ex. Talk about uncomfortable. But when, halfway out to the isolated arctic location where Copkiller IV is currently shooting, their pilot turns murderous and their helicopter crashes, Lou realizes her day has just gotten a lot worse. Now, while family and friends back home fret over her disappearance, Lou is on the run in the arctic wilderness with America's sweetheart Jack Townsend and only the contents of her purse, his pockets, and their mutual knowledge of survival movie trivia to keep them alive. Can these two children of Hollywood put aside their differences and make it back home without killing each other? Or much, much worse, actually start to like one another?

Journalist Walls grew up with parents whose ideals and stubborn nonconformity were their curse and their salvation. Rex and Rose Mary and their four children lived like nomads, moving among Southwest desert towns, camping in the mountains. Rex was a charismatic, brilliant man who, when sober, captured his children's imagination, teaching them how to embrace life fearlessly. Rose Mary painted and wrote and couldn't stand the responsibility of providing for her family. When the money ran out, the Walls retreated to the dismal West Virginia mining town Rex had tried to escape. As the dysfunction escalated, the children had to fend for themselves, supporting one another as they found the resources and will to leave home. Yet Walls describes her parents with deep affection in this tale of unconditional love in a family that, despite its profound flaws, gave her the fiery determination to carve out a successful life. -- From publisher description.
