This straightforward introduction to criminal procedure combines case excerpts with clear, detailed legal discussion and analysis to give students a solid understanding of the field. The book's longtime success can be attributed to the author's ability to help readers grasp the complexities of law by clearly presenting all sides of an issue. Professor Samaha wants students to go beyond simply memorizing procedures. While most criminal procedure texts focus on how to, Samaha combines how and why. The text addresses the entire criminal process -- from crime prevention and criminal investigation to post-conviction sentencing and review. CRIMINAL PROCEDURE, Tenth Edition highlights the enormous impact of the digital revolution throughout the criminal process, provides the latest appellate court cases and new U.S. Magistrate published decisions, and updates such key topics as the changing political nature of the Supreme Court, domestic terrorism, and immigration law. What ' s more, the MindTap that accompanies this text helps students practice and master techniques and key concepts while engaging them with video cases, career-based decision-making scenarios, visual summaries, and more. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

Evaluate MicroStrategy as a departmental solution. This book provides detailed information to download, install, configure, and use the MicroStrategy Reporting Suite.
