Estes began writing when tuberculosis left her confined to her bed. Her best known fictional characters, the Moffats, live in Cranbury, Connecticut, which is Estes' hometown of West Haven. She based the Moffats after her family, including patterning younger daughter Janey after herself, and basing Rufus on her brother, Teddy.

Meet the Moffats. There is Sylvie, the oldest, the cleverest, and—most days at least—the responsible one; Joey, who though only twelve is the man of the house ... sometimes; Janey, who has a terrific upside-down way of looking at the world; and Rufus, who may be the littlest but always gets in the biggest trouble. Even the most ordinary Moffat day is packed with extraordinary fun. Only a Moffat could get locked in a bread box all afternoon, or dance with a dog in front of the whole town, or hitch a ride on a

A heartwarming, yet quirky, story about a boy called Jerry whose much-loved puppy, Ginger Pye, goes missing. Jerry and his sister begin a desperate hunt for Ginger, who they're convinced has been stolen away by the stranger in the yellow hat. After months of fruitless searching the children are about to give up hope when a chance gust of wind reveals the villain to the children and Ginger Pye is saved. * A book which has stood

This story of two girls trying to banish a witch is “full of wonderful fun, excitement, and humor” (Library Journal). Old Witch likes nothing better than to fly around on her broomstick, crying “Heh-heh!” and casting abracadabras. But now she has been sent away . . . by two young girls. Amy and Clarissa have decided that Old Witch is just too mean and wicked. So, drawing a rickety old house upon a barren glass hill, they exile Old Witch there with a warning: She better be good, or else no Halloween! But to give Old

And Amy and Clarissa are about to find that out, when Old Witch magics them into her world of make-believe-made-real, in “a very special book that is certain to give boundless pleasure—at any time of the year” (The Horn Book). “A classic for Halloween.”

and she isn't the oldest-she is always just Jane. How boring. So Jane decides to become a figure of mystery . . . the mysterious "Middle Moffat." But being in the middle is a lot harder than it looks. In between not rescuing stray dogs, and losing and finding best friends, Jane must secretly look after the oldest inhabitant of Cranbury . . . so he can live to be one hundred. Between brushing her hair from her eyes and holding up her stockings, she has to help the girls' basketball team win the championship. And it falls to Jane-the only person in town with enough courage-to stand up to the frightful
